

Deborah L. Stevenson is the Executive Director of Keep Morristown Hamblen Beautiful. She is responsible for the day to day operations of the 501 (c) 3 organization and has been in that position since 1999. As director, she helps educate the citizens of Hamblen County regarding litter prevention, community greening and waste minimization/recycling. Deborah enjoys serving on the Board of Directors for TRC and the networking opportunities it provides as she shares them with her community and supports the recycling efforts across the State. It be an honor to serve another term.
